## CHILD PROTECTION STATEMENT

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all of our students. Safeguarding is everybody's business. White Spire School is committed to ensuring that all our children and young people are safe and feel safe; that children, parents/carers and staff are able to talk about any safeguarding concerns and feel assured that they will be listened to; and that all staff and volunteers are aware of and implement Safeguarding procedures and guidance, including what to do if they suspect a child or young person may be experiencing, or be at risk of harm.

At White Spire all school staff will receive appropriate Safeguarding children training (which is updated on a regular basis), to ensure they are aware of their role in the early recognition of the indicators of abuse or neglect and of the appropriate procedures to follow. In addition all staff will receive safeguarding and child protection updates (via email and staff meetings) as required. All staff to receive Safeguarding training which is updated at least once every 3 years to provide them with relevant skills and knowledge to safeguard children effectively.

The Designated Safeguarding Lead of White Spire School will ensure that all temporary staff and volunteers are made aware of the school's safeguarding policies and procedures, including the child protection policy and staff code of conduct or behaviour policy.

Our procedures contained in this policy are consistent with Milton Keynes Safeguarding Children Board (MKSCB) procedures and that they apply to all staff, volunteers and governors.

**In any case where an adult is concerned that a child is, or may be, at risk of significant harm they must make a referral directly to Milton Keynes Council Multi-Agency Safeguarding Hub (MASH) see contact details at the end of this document. Any member of staff can contact children's social care if they are concerned about a child.**

**If a child or other person is at immediate risk of harm, the first response should always be to call the police on 999.**

This policy applies to all adults, including volunteers, working in or on behalf of White Spire School.

### **Local child protection procedures**

White Spire School is aware of and compliant with multi-agency child protection procedures that have been agreed locally through Milton Keynes Safeguarding Children Board (MKSCB) and which are based on statutory guidance *Working Together to safeguard children, updated 2017*.  
[Milton Keynes Safeguarding Children Board procedures](#)

MKSCB procedures include detailed chapters on what to do if you have a concern and how to make a referral; safer recruitment guidance; and managing allegations against staff (LADO guidance). They also include a range of other information and guidance regarding more specialist safeguarding topics.

**All designated teaching staff and governors** must be aware of this guidance and its implications.

Schools are not investigating agencies and it essential that child protection issues are addressed through agreed procedures, however schools continue to play a role after referral and need to develop strong links with partner agencies, particularly Children's Social Care, via the MASH.

White Spire School recognises the importance of multi-agency working and will ensure that staff are able to attend or appropriately contribute to all relevant meetings including Family Support (Child in Need) Meetings; Child Protection Conferences; Core Groups; Strategy Meetings.

### **Roles and Responsibilities**

All adults working with or on behalf of children have a responsibility to protect them. There are, however, key people within schools and the Local Authority who have specific responsibilities under child protection procedures. The names of those carrying out these responsibilities for the current year are listed at the front of this document.

It is the role of the governing body and the school leadership team to ensure that the Designated Leads for Safeguarding have received the necessary training (every two years) ~~and~~ and annual updates, have access to the resources needed to enable them to carry out their responsibilities and have regular professional supervision to support them in this role. They will be given time to effectively fulfil the duties that their role demands.

The school leadership team will ensure that Designated Leads for Safeguarding attend the required training and that they refresh their training every two years.

All other staff (teaching and non-teaching) must be offered an appropriate level of training and must undergo refresher training every three years.

It is the role of the Designated Leads to ensure that the child protection procedures are followed within the school and to make appropriate, timely referrals to the Milton Keynes Multi-Agency Safeguarding Hub (MASH) in accordance with MKSCB multi-agency safeguarding procedures.

It is the role of the Designated Leads for Safeguarding to ensure that all staff who are employed within the school, including temporary staff and volunteers, are aware of the school's internal procedures in addition to the government guidance *Keeping Children Safe in Education*; to advise other staff; and to offer support to those requiring this.

The Designated Lead is Responsible for key responsibilities found in **Keeping Children Safe in Education, 2016**

In detail the Designated Safeguarding Lead is responsible for:

#### **Managing referrals and cases (Appendix 2-MARF (Multi agency referral form))**

- Referring all cases of suspected abuse or neglect to the Milton Keynes Multi-Agency Safeguarding Hub (MASH) and the Police (cases where a crime may have been committed).
- Liaising with the Headteacher to inform him of issues - especially ongoing enquiries under Section 47 of the Children Act 1989 and police investigations.
- Being the source of support, advice and expertise to staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies.
- Supporting staff who make referrals.
- Sharing information with appropriate staff in relation to a child's looked after (CLA) legal status (whether they are looked after under voluntary arrangements with consent of parents or on an Interim Care Order or Care Order) and contact arrangements with birth parents or those with parental responsibility.
- Ensuring they have details of looked after children's social workers and the name of the virtual school Headteacher in the authority that is responsible for the child.

#### **Adult referral**

At White Spire School, pupils above 18 years old will come under the adult services. If staff have a concern, they must follow this up using the schools safeguarding procedures and report any concerns to the designated leads.

The designated leads will follow up any concerns with the allocate social worker (if applicable).

If there is a concern about an adult being at risk of abuse and they are in immediate danger, the school will ring 999. If there is ~~not~~no immediate danger, the concern will be reported to Milton Keynes Council Adult Social care by completing an alert form.

The Headteacher, in conjunction with the Designated Leads for Safeguarding, will provide an annual report for the governing body detailing any changes to the policy and procedures; training undertaken by all staff and governors; and other relevant safeguarding issues.

The role of the Nominated Governor for Safeguarding is to ensure that the school has effective child protection policy and procedures in place and that the policy and structures supporting safeguarding children are reviewed annually. Governors must not be given details relating to individual child protection cases or situations, in order to ensure confidentiality is not breached.

During school hours a member of the Designated Safeguarding Lead Team will be available for staff and pupils to discuss any safeguarding concerns. For out of school activities the Senior/Deputy Safeguarding Lead will be available.

The Deputy Designated Safeguarding Lead and Designated Safeguarding Leads are all trained to the same level as the Senior Designated Safeguarding Lead. In the absence of the Senior Designated Safeguarding Lead, Designated Leads will report to the Deputy Designated Leads for support and guidance to ensure that the ongoing safety and protection of pupils. In the event of the long term absence of the Senior Designated Safeguarding Lead, the deputy will assume all of the functions above.

### **Training**

The Designated Leads for Safeguarding will undertake specialist child protection training, which will be updated at a minimum of every two years plus annual updates via email/staff meeting).

The Headteacher (*where not a designated lead*) and all staff members will undertake child protection training which is updated at a minimum of 3 yearly, in line with advice from MKSCB.

All staff will have regular in house updates to provide them with the relevant skills and knowledge to safeguard effectively.

New starters will take part in an induction period which will include the reading of several key policies.

### **Raising Awareness**

At White Spire School the Designated Safeguarding Leads work alongside staff to ensure that school's Child protection policies and procedures are known, understood and used appropriately. The policy is reviewed and updated yearly. Parents may review the schools Child Protection policy along with other information on the schools website. Parents are made aware by a designated lead if a referral is made unless advised otherwise by MASH.

The designated lead ensures that the school's safeguarding and child protection policy is reviewed annually and the procedures and implementation are updated and reviewed regularly, working with the school's governing board regarding this.

As a school we link with other professionals to ensure that staff are aware of training opportunities and the local policies.

We ensure that the Safeguarding file and any Child Protection information is sent to the new school /college as soon as possible. We ensure that the file is kept confidential and that the party receiving the file signs to say that they have received the file.

### **When to be concerned**

At White Spire School safeguarding and promoting the welfare of children is **everyone's responsibility**. All staff work with professional and families to ensure that our approach is child centred. Staff are extremely vigilant in ensuring that the child's best interest is adhered to at all times.

### **Early help**

All children that attend White Spire School have been identified as Section 17 (Children Act 1989). All children who attend White Spire School have an EHCP in place which identifies provision needed for individual needs. As a school all children have access to:-

- Smaller classes
- Higher pupils to staff ratio
- Interventions according to individual needs
- Specialist staff
- Working with parents/carer's
- Working with other agencies

Staff will work with the designated safeguarding lead to identify when a child/family is in need of early help. There will be active monitoring and feedback for any ongoing or escalating concerns.

All staff are trained and aware of the main categories of maltreatment: physical abuse, emotional abuse, sexual abuse and neglect and their indicators.

### **Children with special educational needs and disabilities**

White Spire School is a complex needs school. Staff are trained to recognise abuse and neglect and the barriers that can exist. Staff are trained to manage additional barriers and to ensure that children are appropriately safeguarded.

### **Children missing in education**

At White Spire School attendance, absence and exclusions are closely monitored and there are systems in place to track this. Where there is a pattern/persistence of missing school, the school attendance officer will investigate.

A child going missing from education can be a clear indicator of abuse and neglect. The attendance office will monitor absence and the designated lead will be notified of unauthorised absences.

If a child is missing from education and there is an immediate safeguarding concern a referral to the Multi-Agency Safeguarding Hub/ SEN team will be made by the schools designated lead.

Supporting documents-Child missing in education policy/attendance policy

### **Looked after children**

The most common reason for a child to become looked is as a result of abuse or neglect. The school ensures that staff have the necessary skills and understanding to keep looked after children safe. Appropriate staff have information about a child's looked after legal status and care arrangements. The designated teacher for looked after children and the DSL have details of the child's social worker and the name and contact details of the local authority's virtual head for children in care.

Supporting documents- Looked-after and previously looked after children school policy.

### **Safer Recruitment**

The governing body and school leadership team are responsible for ensuring that the school follows safe recruitment processes in accordance with government requirements and MKSCB procedures, including:

- Ensuring the upkeep of a Single Central Record of all staff and regular volunteers
- Ensuring written recruitment and selection policies and procedures are in place
- Adhering to statutory responsibilities to check staff who work with children
- Ensuring all governors have enhanced DBS checks.
- Ensuring that regular volunteers have an enhanced DBS and are appropriately supervised.

White Spire School *is compliant with guidance contained in part 3 of Keeping Children Safe in Education*-- Part 3 and in local procedures for managing safer recruitment processes, set out in Milton Keynes Safeguarding Children Board procedures - Chapter 2.

Volunteers including governors will undergo checks. Under no circumstance will a volunteer who has not been appropriately checked be left unsupervised.

The school checks the identity of all contractors working on site and requests a DBS with barred list checks where required. Contractors who have not undergone checks will not be allowed to work unsupervised during the school day.

### **Site Security**

Visitors to the school, including contractors, are asked to sign in and are given a sticker badge, which confirms they have permission to be on site. Parents who are delivering or collecting their children do not need to sign in. All visitors are expected to observe the school's safeguarding and health and safety regulations.

### **Safe Working Practice**

White Spire School has developed a clear Code of Practice that staff understand and have agreed to. The Code of Practice offers guidance to staff on the way they should behave when working with children.

### **Information Sharing and Confidentiality**

All staff are aware that they must not promise to keep 'secrets' with children and that if children disclose abuse, this must be passed on to the Designated Leads for Safeguarding as soon as possible and the child should be told who their disclosure will be shared with.

Staff should make a record on a Child Welfare Concern form (where possible) of the date, time and place of the conversation, as soon as possible. The record must be a factual statements and observations rather than interpretations or assumptions.

It should be recorded in the child's own words, along with any observations on what has been seen and any noticeable non-verbal behaviour. This record must be dated and signed. Any original notes will need to be attached to a welfare concern form and placed in the child protection file.

Staff will be informed of relevant information in respect of individual cases regarding child protection on a 'need to know basis' only. All staff understand that child protection issues warrant a high level of confidentiality, not only out of respect for the pupil and staff involved but also to ensure that information being released does not compromise evidence.

White Spire School *is guided by local procedures for information sharing and confidentiality, which are set out in chapter 2.4 Milton Keynes Safeguarding Children Board procedures.* <http://mkscb.procedures.org.uk/>

### **Record Keeping**

Child Protection records are kept centrally and securely by the Senior Designated Leads for Safeguarding. Any electronic records are protected and can only be accessed by the Designated Safeguarding Leads. Staff are aware that they must make a record of Child Protection issues and events as soon as possible and that these records must be signed and dated. Child Protection records must not be made in the child's academic file.

All copies of such record need to be given to the designated Safeguarding lead promptly and no copies should be retained by the staff member volunteer completing the record.

The Designated Safeguarding Lead will ensure that all Safeguarding records are managed in accordance with the Education (Pupil Information) (England) Regulations 2005. When a child changes school

If a pupil who is/or has been the subject of a child protection plan changes school, the Designated Safeguarding Lead will inform the social worker responsible for the case and transfer the appropriate records to the Designated Safeguarding Lead at the receiving school, in a secure manner, and separate from the child's academic file.

### **Allegations against members of staff and volunteers (LADO (Jo Clifford) procedures)**

White Spire School recognises that it is possible for staff and volunteers to behave in a manner that causes harm to children and takes any allegation made against members of staff or volunteers seriously. The local arrangements for managing allegations are understood and followed. All staff know who to talk to if they are concerned about the behaviour of an adult.

*Keeping Children Safe in Education: Allegations of abuse made against teachers and other staff* sets out the duties of employers and employees in handling allegations and also in caring for their employees. This section covers a range of relevant processes, incorporating **the role of the LADO**.

White Spire School *is guided by local procedures for managing allegations against staff, carers and volunteers, which are set out in chapter 1.1.6 Milton Keynes Safeguarding Children Board procedures*. <http://mkscb.procedures.org.uk/>

### **Whistle Blowing**

All concerns of poor practice or possible child abuse by staff should be reported to the head teacher. Complaints about the headteacher should be reported directly to the chair of governors.

Staff may also report their concern's directly to children's social care or the police if they believe that it is necessary. Staff may also ring for advice from the NSPCC Whistleblowing Advice Line (0800 028 0285).

### **Staff/pupil online relationship**

White Spire School provides advice to staff regarding their personal online activity and has strict rules regarding online contact and electronic communication with pupils. Staff found to be in breach of these rules may be subject to disciplinary action or child protection investigation. Staff to read White Spire School's E-Safety policy for more information.

### **Allegations against pupils and peer on peer abuse**

White Spire School recognises that Children and Young People can be perpetrators of abuse. This can manifest itself in many ways. It may include

- Physical abuse such as biting or hitting
- Sexually harmful behaviour/sexual abuse such as inappropriate sexual language, touching, sexual assault
- Sexting, including pressure to send sexual images
- Teenage relationship abuse
- Prejudiced behaviour

Allegations within the school are taken very seriously and dealt with immediately.

Where there is reasonable cause to suspect that a child is suffering or likely to suffer significant harm staff are to inform the Designated Safeguarding Lead. Advice will be sought from the Milton Keynes Multi Agency Safeguarding Hub (MASH) and a referral may be made and police may also be informed.

The safety and welfare of all pupils is paramount, including the victim, the accused and others who are directly or indirectly involved. Parents and carers will be informed at the earliest opportunity.

Within White Spire School, we take several steps to minimise/prevent peer on peer abuse. This includes

- An open and honest environment where children feel safe to share information about anything that is worrying or upsetting them.
- The school's curriculum which reinforces the schools message
- The school is well supervised.

#### **The use of school premises by other organisations**

White Spire School does not allow other organisations to use the facilities but if services or activities are provided separately by another body using the school premises, the governing body will seek assurance that the body concerned has appropriate policies and procedures in place in regard to safeguarding children and child protection.

#### **Extended school and trips**

All afterschool activities are managed by the school, our own child protection policy applies. For offsite activities, a risk assessment is taken before hand to satisfy health and safety and safeguarding requirements. If other organisations provide a service or activities onsite on behalf of the school, we will check that they have appropriate procedures in place.

When there are out of hours activities, staff will be given information on how to contact individual designated leads.

## Appendix 1

### Significant harm

The Children Act 1989 introduced Significant Harm as the threshold that justifies compulsory intervention in family life in the best interests of children. Physical Abuse, Sexual Abuse, Emotional Abuse and Neglect are all categories of Significant Harm.

At White Spire School, if the term rape or allegations of sexual violence/assault is mentioned, the designated safeguarding lead will ring MASH immediately.

## Appendix 2

# Multi Agency Referral Form (MARF)

The MARF is designed to enable a non-urgent referral to be made to the Multi Agency Referral Hub (MASH)  
No other forms will be accepted and these procedures supersede all previous versions

### What to do

All three sections of this form must be completed as fully as possible before any referral is made to the Multi Agency Safeguarding Hub (MASH). The form is designed to include all family members in one referral, if that is appropriate, but please ensure that where concerns relate to a specific child or young person that this is clearly identified. It needs to be submitted by email together with a completed copy of the CAF to [children@milton-keynes.gov.uk](mailto:children@milton-keynes.gov.uk) (colleagues who need to use a secure external account should use [MASHBusinessSupport@milton-keynes.gcsx.gov.uk](mailto:MASHBusinessSupport@milton-keynes.gcsx.gov.uk) )

### If concerns are more urgent

Where there are urgent child protection concerns, the MKSCB policy and procedures should be followed. These can be viewed at [www.mkscb.org](http://www.mkscb.org). Situations where there is immediate possible or actual significant harm to a child or young person should be referred immediately by telephone to 01908 253169 (or 01908 265545 out of hours) and the MARF (a completed CAF is not required under these circumstances) should be emailed to confirm the referral to email address above.

### Help us to help you

Please provide as much detail as possible. The information provided will be used to determine the response is needed. In most cases it will be expected that action will have already been taken to address the issues causing concern and these must be fully described in the relevant section so please provide sufficient detail or evidence of previous interventions and support, including their aims and resulting outcomes.

In the majority of cases, referrals will have been fully discussed, and consent obtained, before any referral is made for additional services, unless this would place any child or young person at risk; in which case a full explanation of the circumstances must be given in the space provided.

### Thresholds and Outcome of Referrals

To review the referral we use the Milton Keynes Safeguarding Children Board 'Levels of need when working with children, young people and families' which sets out the thresholds for intervention. This can be helpful if you are unsure whether to submit a referral to the MASH. You can view a copy at [www.mkscb.org](http://www.mkscb.org)

Following this review, colleagues in the MASH may:

- a) Ask for further information or suggest alternative responses including further support through what we call Level 1 (Universal services) or Level 2 (Additional).
- b) Refer to the relevant Children and Family Practice for further assessment where the child'sren needs can be met by a multi-agency response at what we call Level 3 (Additional).
- c) Refer to children's social care for a more specialist Children and Families Assessment (where children or young people may be at risk of, or are, suffering significant harm which requires Level 4 intervention).

The referrer will be acknowledged within 24 hours and are notified of the outcome within two weeks.

### **Appendix 3**

#### **Female Genital Mutilation/Honour based violence**

Female genital mutilation (sometimes referred to as female circumcision) refers to procedures that intentionally alter or cause injury to the female genital organs for non-medical reasons. The practice is illegal in the UK.

At White Spire School we believe that all pupils should be kept safe from harm.

Although our school has few children that are in high risk groups and considers girls in our school safe from FGM we will continue to monitor and review our policy annually

White Spire School will include training for staff on raising awareness of FGM and the signs to look for.

As a school we will report any concerns we have about a pupil in line with the child protection policy.

### **Appendix 4**

#### **Sexting**

##### **Definition**

Sexting is when someone shares sexual, naked or semi-naked images or videos of themselves or others, or sends sexually explicit messages. They can be sent using any device that allows you to share media and messages. (NSPCC)

At White Spire School we ensure that:

- Staff are aware what sexting is.
- Children are taught about sexting and how to protect themselves.
- Pupils are made aware of where they can go for support and advice

Staff have a duty to report any concerns in line with the Child Protection Policy

### **Appendix 5**

#### **Radicalisation and Extremism**

Please see school's PREVENT policy.

## **Appendix 6**

### **Fabricated or induced illness**

Staff remain vigilant in spotting signs of fabricated or induced illness. If staff believe that an illness is induced/fabricated this will be reported to the Designated Safeguarding Lead who will follow procedure.

## **Appendix 7**

### **Child Sexual Exploitation**

Please see Child Sexual Exploitation policy.

## **Appendix 8**

### **Private fostering arrangements**

If a person other than a parent or close relative care for a child for 28 days or more with the parents/parents' consent, children's services must be notified. If staff become aware of such arrangements, staff must make a Designated Lead aware and the school will notify the local authority.
