## Friends of White Spire School

“ FoWS are proud to let you know that we are making memories at our outstanding school, White Spire... Last year together with the Co-Op local community funding project we raised an incredible £5000 which has now been donated to the school to improve the outdoor trim trail/ play area. The work on this area is due to start soon and all the children at White Spire will soon be able to have fun and play outside in the sunshine on this new improved area...Thank You Paula Vulpio for doing all the leg work and securing the fund through the Co- Op....
