Raising funds to support children at White Spire School

Co-op Community Fund

Over the last 4 Months the Co-op Community fund has raised over £798 for FOWS. How the fund works

As a member, every time you shop at Co-op, 1% of what you spend on selected own-brand products and services goes to the local community fund. The money raised by all the members in your community, together with money from shopping bag sales, helps to projects within White Spire School. You can choose which cause you want your own 1% to go to. So go join online at the address above and select White Spire School.
