Through Learning to Independence

Curriculum Week

The children have enjoyed many activities and trips during curriculum week.

We have had a visit from an international award-winning author, a trip to Warwick Castle, an outing to Milton Keynes Museum, a day at Whipsnade Zoo, Duke of Edinburgh Royal visit, media work, healthy food tasting afternoon, workshops on anti-bullying, social and emotional changes as we grow up and lots, lots more...

How to be the best you can be....

White Spire School is committed to high educational standards and supporting every child to achieve their potential. We recognise the strong link between regular and constant attendance and educational success.

Children can only benefit and make the most of their educational opportunities if they attend school regularly and on time. Therefore we have high expectations of all our children in respect of attendance and this year we are looking to reach the target of 95%.

Please make every effort to send your children into school every day, if there are any issues or matters you wish to discuss with the school regarding attendance please contact me at the school.
