September 2016

Through Learning to Independence

Another academic year has begun and I am delighted that all our students have returned from the summer break with an incredibly positive and determined attitude.

I would like to extend a warm welcome to all our new students and families.

I look forward to an Autumn term which is even more productive and successful than last year.

Best Wishes

Finlay Douglas

We would like to welcome

Mr Armstrong, class teacher for class 4CA

and

Mrs Mellor, class TA for class 4CA

30p per day

30p per day

8.20am - 8.35am in the school dining room.

Cereal, Toast, Fruit and Fruit Juice

How to be the best you can be...

White Spire School is committed to high educational standards and supporting every child to achieve their potential. We recognise the strong link between regular and constant attendance and educational success.

Children can only benefit and make the most of their educational opportunities if they attend school regularly and on time. Therefore we have high expectations of all our children in respect of attendance and this year we are looking to reach the target of 95%.

Therefore, please make every effort to send your children into school every day, if there are any issues or matters you wish to discuss with the school regarding attendance please contact me at the school.
