The National Citizen Service

KS4 and 5 would like to welcome The National Citizen Service to White Spire School. This organisation runs programmes for teenagers during the summer holiday which help to develop social, communication skills and build confidence. They do this through a number of residential experiences. They will be working with years 11 and 12 in school and will be attending coffee mornings to enable parents to find out more about the opportunities available to them.

Lost Property

We have a rather large collection of lost property. This will be displayed in the school hall at the next coffee morning. Any items not collected will be donated to a local charity shop.
