

Welcome to White Spire

We are delighted to welcome back children, parents and staff! As always we are also excited to welcome new families in our school community, and we are always looking forward to leading children through wonderful new experiences. It is fantastic to see the children settling back into the school routines and the new pupils adapting to their new setting as well as making friends. We are looking forward to working together in order to achieve the best outcomes for all of our pupils. As always, we are very grateful for your support. Please do not hesitate to contact us if you have any concerns or worries about your child.

Curriculum Areas

Through our termly cross-curricular themes, we aim to make links in all areas of learning to make sure there is cohesion across the whole curriculum. The aim is to make the children's learning vivid, real, engaging and memorable, and to provide challenges and adaptations to encourage their development in all areas. We strive to embed social, emotional and independent life skills holistically across all areas of curriculum.

English

Through adapted Read, Write Inc. Phonics Programme, we will revisit and develop our reading and writing skills. In our extended writing programme will be on writing mythical stories and non-chronological reports. There will be direct emphasis on developing spelling, grammar, punctuation, adventurous vocabulary and improving handwriting.

Maths

The principal focus of mathematics teaching and learning in Year 6/7 will be to ensure that pupils develop confidence and mental fluency with whole numbers, counting, and place value. In addition, the children will focus on developing addition and subtraction strategies as well as recognising addition and subtraction as related operations. We will solve real life problems.

PSHCE and Life Skills

The PSHCE Curriculum will develop skills and attributes such as resilience, self-esteem, and risk management in emergencies, team working and critical thinking in the context of three core themes: health and wellbeing, relationships and living in the wider world.

RE

In line with The Milton Keynes Agreed Syllabus for Religious Education, we will learn through enquiry led approach about Judaism and Christianity. We will consider key questions including believing, belonging, behaving and reflecting.

Humanities

In History, pupils will explore Britain's past and that of the wider world. They will examine complexity of people's lives and the process of chronological change. The areas covered will include the exploration of Ancient Greece. In Geography, using the theme of ancient Greeks, the pupils will learn about diverse places, people and resources, and natural and human environments as well as processes. The pupils will also recognise interaction between physical and human processes such as sustainable development.

Science

Through enquiry and investigation, the pupils will learn about animals and human habitats.

Computing

The pupils will use Information Technology to learn about online safety and use multimedia to create and retrieve images.

ART

The pupils will develop their skills in sketching, drawing and painting. Using various artists, pupils will create their own pieces of art including sculptures.

Food

The children will develop their vital skills and knowledge in cooking and nutrition through preparing simple dishes and encouraging them to explore unfamiliar foods.

Performing Arts

In Performing Arts, the pupils will create various pieces in drama and playing percussion instruments.

PE

The pupils will take part in a variety of individual and team sports activities including swimming.

Free School Meals Online Application

If you think your child may be entitled for free school meals, you can register and find out if your child is eligible by visiting a quick and easy system: <https://www.cloudforedu.org.uk/ofsm/sims/>

Our school menu and order form can be downloaded from the website:

https://www.whitespireschool.org.uk/sites/default/files/pdf/Lunch_Order_Form.pdf

Uniform

Please ensure your child wears correct school uniform and each item is labelled with your child's name.

Attendance

We believe regular school attendance is essential to achievement. Please help us by ensuring your child attends school every day.
